

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner telephoned Applicant to discuss possible amendment to claim 20 in order to place all claims in condition for allowance. Examiner suggested inserting the limitation "wherein the device produces a condensation aerosol containing less than about 10% or less .by weight drug composition degradation products and at least 50% of the drug composition of said film" (as is in claim 1) into claim 20 for better distinction of instant claims from prior art. Ms. Lobel-Rice agreed to the proposed amendments, shown by way of an Examiner's Amendment (attached). .
